MANIFESTO

Brighton and Hove
Green Party

This document explains the 10 promises of the Brighton and Hove Green Party if they are elected for a second term on May 7th 2015.

WE PROMISE THAT WE WILL:

1 Make sure there is money to pay for public services and refuse to go along with public services being made private.

2 Make sure that everyone is treated equally and fairly.

3 Continue to make a strong economy so that people have jobs and opportunities. We will also support the community and voluntary service.

4 Make sure young people get a good education and that local authority schools do not turn into academies.

5 Make walking and cycling safer by having better air quality, safer roads and supporting cleaner public transport.

6 Help the development of housing projects to build homes.

7 Continue to improve energy efficiency and reduce carbon emissions.

8 Improve access to leisure activities and the National Park.

9 Continue to grow and promote Brighton & Hove as the country's best seaside tourist destination.

10 Continue to protect animals and stop animals being used in circuses and other entertainment.
